Balance Boards

Commander 8.5"

Equipments Highlights

- 8.5" solid rubber tires
- 500 watts of engine power (2 x 250 watts)
- Up to 14 km** range
- Up to 12 km/h** max. speed
- Max. load 100 kg

Over Stick and Stone

There are no limits and the fun can even be enjoyed on rough terrain. The Balance Board with its large 8.5 inches wheels can easily ride on sandy paths and unpaved roads.

Safety is paramount and the Balance Board stands for the highest demands coupled with safe driving behavior for your children.

By tilting in the appropriate direction, you tell the balance board whether you want to move forward or backward and when you want to rotate.

The auto-balance function automatically keeps the balance. Perfect for a safe stand for almost learning of driving. Ideal for children and even beginners.

Balance Boards

Commander 8.5"

Powerful drive

The Offroad Balance Board is equipped with two electric motors that deliver 2 x 250 watts of power. You can reach a top speed of up to 12 km/h. With a battery charge, a range of up to 14 km is possible.

Robust tires

The full rubber tires offer safety. You can drive over anything without risking tire damage. They don't get out of the air when a pointed object gets in the way.

No way is too hard

The massive off-road tires overcome many obstacles. The 8.5" solid rubber tire is maintenance-free and a flat foot is excluded.

The motor power with 500 watts (2 x 250 watts) brings you safely and quickly to your destination. A maximum speed of 12 km/h** is possible.

Good Visibility

When it gets darker, you are still clearly visible with the Balance Boards Commander. The lighting indicates which direction you are going. White lights can be seen from the front and red lights at the back.

Technical data

- 8.5 inches solid rubber tires - solid off-road tires
- Self-calibrating
- Engine power 500 watts (2 x 250 watts)
- Battery type: 4,0 Ah, 36 V
- Max. speed: 12km/h**
- Max. range: 14km**
- Max. load capacity: 100kg
- Charging time: 3 hours
- LED control lights
- LED-Light
- Dimensions - (H x W x D): 710 x 255 x 210 mm
- Weight: 14.0 kg
- Color: Carbon Design
- Internal article no.: BC-BD8520CB
- EAN: 9005151000313

Content

- Balance Board
- Manual
- Charger

Guarantee

- 2 years, excluding wearing parts
- Battery: 6 months
