

## Equipment Highlights

### Italian Design

Black piano lacquer combined with gold and a dynamic design

### 3 Speed Levels

Low, medium and high

### Timer

1-7 hours mode automatic turn off after desired time.

### 3 Wind Modes

Normal, Nature and Sleep mode

### Oscillation Function

The vibrations help the cold air to reach different areas of the room.

### Tilt Angle

Up to 10°

### Cooling effect

Due to the strong performance of the tower fan

 Designed in Italy

**The Be Cool floor fan is the perfect combination of design, performance and quality.**

The piano lacquer look and the red-gold colored fan blades completely in Italian design is a highlight in every home.

The operating buttons are integrated in gold color in the rod of the fan and merge with the design.

The fan has an extra-flat, round stand foot, which ensures a secure stand at all times. The five red and gold-colored rotor blades ensure a quiet and even airflow.

Furthermore, the Design Stand Fan has three speed levels, an oscillation function and an individual angle of inclination adjustment for perfect air distribution in the room.

### Safe and Easy

The stand ventilator is easy to operate at the spar. The large 1.5 m long power cord makes it easy to position the stand fan.

**Golden rotor blades**

**Control buttons**

The rotor blades as well as the oscillation knob are kept in the color red gold and merge with the design in combination with the black piano lacquer. The remote control allows easy operation from a distance.

### Technical Data

- Field of application: Indoor
  - Connection type: Euro plug
  - Number of speed levels: 3
  - 3 wind modes (normal, natural, sleep)
  - Diameter: Ø 45cm
  - Color: black/gold piano lacquer look
  - Power: 82 W
  - Material: plastic, metal
  - 5 rotor blades
  - stable, shapely housing with round base
  - Angle of inclination: 10°
  - Nominal voltage: 220 - 240 V 50Hz
  - Timer (from one to seven hours - by the hour)
  - Italian design
  - Oscillating Pivoting range: 70°
  - Maximum air speed meter/sec: 3,33 m/sec.
  - Remote control (2 AAA batteries included)
  - Dimensions H x W x L: 1350 x 510 x 420 mm
  - Weight: 6 kg
- EAN: 9005665024430

### Scope of Delivery

- 1x remote control incl. battery (2x AA battery)
- 1x instruction manual

### Warranty Period

2 years
