**Party Sound - small, handy, compact**

With the Sound Bag Light, you can enjoy your music anywhere. The light show entertains and offers great effects in the dark.

Up to 4 hours of continuous music enjoyment thanks to the powerful 1,200 mAh battery. A playing time that is sufficient for any outing.

The compact design ensures perfect mobility. Despite the slim dimensions, the speaker surprises with powerful sound!

## FM Radio

The integrated FM tuner has a station search function and can be operated intuitively.

## Dual pairing

Connect 2 Sound-Bag Light to achieve an excellent sound experience. In this way, the audio channels are synchronised and a room-filling stereo sound is created for full enjoyment.

## Multifunctional playback options

Experience music as if you were there live. No matter where the music comes from. Connection options via Bluetooth and playback options from FM radio, micro SD or via USB connection possible.

## Light Show

The entertaining light effects add a special touch to any party. Not only do you stand out with your playlist, but your Bluetooth speaker becomes an eye-catcher. It can also be used without a light effect.
