

## Equipment Highlights

### Air Purifier

The aspirated air is cleaned by the filter.

### 2 Speed Levels

Low and high

### Air Dehumidification

The air conditioner dehumidifies the room air.  
**Schwenkfunktion**

Die Schwenkfunktion verteilt die gekühlte Luft optimal in alle Bereiche des Raumes.

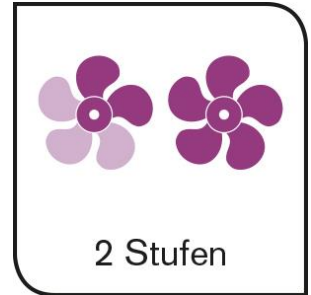

### Automatic Evaporation System

Better efficiency.

100% evaporation when below 90% humidity.

### Timer

24 hours programmable.

Umweltfreundliches und Ozonschicht schonendes Kältemittel R290.

## Our SHE monoblock air conditioner with 9,000 BTU

The combination of modern design and top value for money. The SHE air conditioning system with 9,000 BTU combines all these advantages in one unit. With a cooling capacity of 9,000 BTU, medium-sized rooms and also smaller offices with up to max.80m<sup>3</sup> / max. 32m<sup>2</sup> can be air-conditioned.

In recent years mobile air conditioners have become more and more popular because they are easy to install after purchase. Therefore you do not need an expensive air conditioning technician.

The slim design including the wheels installed on the bottom of the unit guarantee unlimited comfort and make this air conditioner an all-rounder for any location.

The air conditioner is not only suitable for lowering the temperature, but also for ventilating and dehumidifying. This guarantees a perfect indoor climate even in the transition months.

Our recommendation: a suitable HOT AIR STOP from SHE for optimal sealing of your windows or doors.

## Filter

This air conditioner directs the ambient air through a washable filter. After cleaning, the clean cooled air is released back into the room.

## Dehumidification

In addition to cooling the air, the air conditioning unit differs from conventional fans in that the cooled air is also dehumidified and cleaned. This improves the indoor climate by two further parameters that are relevant for the well-being.

## Scope of delivery

1x remote control  
Incl. battery (AAA)  
1x exhaust hose  
1x window bar  
1x tapering adapter  
1x instruction manual

## Warranty period

2 years

Side view

Exhaust air hose connection

150 mm hose diameter

## Technical data

- BTU cooling: 9,000 BTU/h
  - cooling capacity: 2.660 W
  - Range of application (non-binding): for rooms up to max. 80 m<sup>3</sup>/max.32m<sup>2</sup> (at 2.5 meters room height)
  - EER: 2.6 W/W
  - EU energy efficiency class: A
  - air circulation: 350 m<sup>3</sup>/h
  - Noise level (sound pressure): 52dB(A)
  - Noise level (sound power): max. 65dB
  - Max. Power consumption (cooling/standby): 1,010 watts / < 1 watt
  - Power supply: 220-240 V/50 Hz
  - 24 hour timer, remote control
  - energy-saving auto mode
  - 2 speed levels
  - Auto-Swing function
  - Automatic evaporation system (better efficiency and 100% evaporation at below 90% humidity)
  - Handles and rollers
  - Color: White
  - Dimensions W/H/D: 365x71 x355mm
  - weight: 22kg
- EAN: 9005665024294
