Wellness Atmosphere at Home!

The decorative humidifier and diffuser from BE COOL combines two functions in one device.

- Air humidification cold air + aroma diffuser

Air Humidification

Through its micro-fine spray mist it humidifies the room air and thus ensures a fresh indoor climate.

Aroma Diffuser

The aroma function is easy to activate. Add a few drops of your favorite oil into the aroma compartment and activate the humidifier.

A room scent has an enormous influence on body and mind. It can revitalize the organism, awaken pleasant memories or stimulate creative thinking. In addition, it creates a comfortable living climate in the bathroom, bedroom or living room and invites you to relax.

Silver ION Filter - optional

Anti-bacterial effect of silver ensures optimal water quality.

ION-FILTER ArtNr.
BCIONF003

Calcfiter - optional

cleans the water of microorganisms, calcium and magnesium ions. The filter can be easily cleaned by soaking it in white vinegar and then rinsing it with water. This effortless maintenance extends the life of the humidifier.

CALC-FILTER ArtNr.
BCKALKF001
