### Shapely design for best air quality with the design air purifier BC22LR2105 from BE COOL

Healthy breathing air is an important basis for our health. The air indoors is usually much worse than outdoors, as numerous studies have shown. With BE COOL air purifiers you make a valuable contribution to the cleanliness of your indoor air and the health of your family.

The BE COOL air purifier offers you three manual ventilation levels (low, medium and high) and an automatic wind adjustment mode. CADR with up to 200 m<sup>3</sup> / h can effectively cover a 24 m<sup>2</sup> area.

#### Technical Data

- **Clean Air Delivery Rate: 200m<sup>3</sup>/h**
- **The highly efficient HEPA13-filter** can filter 99,95% of fine dust, animal hairs, pollen, mites, air pollution, PM 2.5 and ultra-fine particles. Is very helpful for people with allergies and asthma, pet owners, smokers and children.
