

Equipment Highlights

8.5" Solid Rubber Racing Tires

700 Watts Engine Power

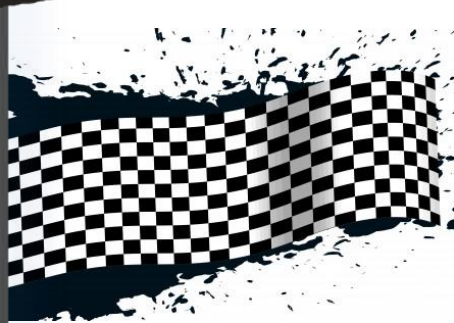

Max. Speed 16 km/h

Up to 120 Kg

Bluetooth Speaker

The BE COOL RACING BOARD is the epitome of style, slimness and speed, and was inspired by the FORMULA 1 racing sports cars.

The BC Racing Board with racing wheels, streamlined front design, racing sound, unique shape, strong performance, fast speed and a robust structure. is the dream hoverboard you've always wanted.

One of the fastest racing hoverboards

Intelligent sound and speed synchronization system, creates an impressive experience for all drivers. When the BC RACING BOARD accelerates or brakes, the sound of a racing car is simulated. You can switch the racing sound on or off as required.

Stabil and Durable

Powered by a 350 watts engine with two 8.5-inch full rubber tires and a strong metal rim that has a very robust load-bearing quality. With non-slip, comfortable pedals, the body of the BC RACING BOARD is made of 85% aluminium with some ABS parts.

BT-Speaker & APP-Control

Our Racing Board has an built-in professional speaker, which offers you a realistic and special music experience. With the app, you can change LED lighting, adult or child mode, speed and anti-theft protection anytime, anywhere.

Österreichische Marke

Powerful drive

The Balance Board is equipped with two electric motors that deliver 2 x 350 watts of power. You can reach a top speed of up to 16 km/h. With a battery charge is a range of up to max. 15 km* possible.

Robust tires

The full rubber tires offer safety. You can drive over anything without risking tyre damage. They don't get out of the air when a pointed object gets in the way.
