

Equipment Highlights

LCD display

Touch Panel

3 speed levels

low, medium, high

Timer

12 hours

Water tank

3.1 liters

Oscillation function

The vibrations help the cold air to reach different areas of the room.

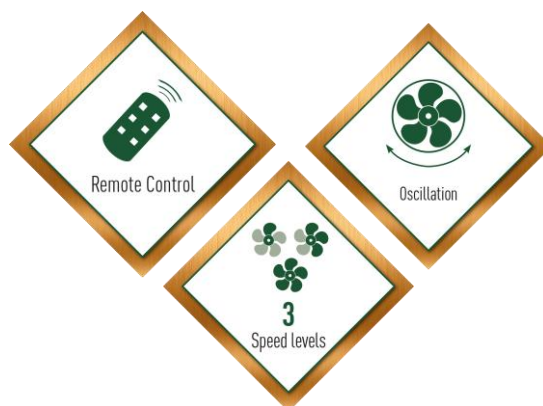

Cooling effect

Due to the strong performance of the standfan and the cold spray mist.

Ionizer function

Cleans the ambient air

Remote control

The Be Cool spray stand fan is the perfect combination of cooling and humidifying.

It has an easy-to-use control panel.

In summer, 3 speed levels and the oscillation function guarantee cooling in your 4 walls.

The timer function helps you to set the time when the fan should turn off automatically. The timer function allows the control of up to 2 hours of uninterrupted cooling time.

Via the built-in water tank, the fan supplies itself with cool water and thus sprays a pleasantly cold spray mist to refresh you in the hottest time of the year.

Safe and easy

The stand fan is easy to operate manually on the control panel. The large 1.6 m long power cord makes it easy to position the fan.

Vaporizing Performance

220 ml/h

Scope of delivery

1x standing fan
1x remote control incl.
Battery
1x User manual

Guarantee

2 years

Specifications

- Input voltage: 220V~240V
- Frequency: 50 Hz
- Power: 90 watts (0.46 watts standby)
- Diameter: 40cm
- Height: 136 cm
- Noise level (sound conduction): 59.4 dB(A)
- 3 speed levels
- 3 wind modes: Normal/ Sleep/Nature
- Swivel function
- 12 hours timer function
- Humidifier function - exudes pleasant spray mist (spray capacity 220 ml/h, water tank 3.1 l)
- Ionizer
- Touch Panel
- LCD display
- 4 castors
- Net Dimension (WxHxD): 400 x 1360 x 400 mm
- Gross dimensions (WxHxD): 660 x 455 x 330 mm
- Weight Net/Gross: 7.5 kg / 8.5 kg
- EAN: 9005151000825
