Operating instructions

The Be Cool floor fan is the perfect combination of design, performance and quality

The metal look in an elegant design make this fan a highlight in your 4 walls. The robust control buttons on the back of the floor fan are of high quality.

Furthermore, the fan has an extra-flat, round stand foot, with which a safe stand is guaranteed. The 5 rotor blades ensure a strong and even airflow at the hottest time of the year.

Three speed levels, an oscillation function and the individual angle of inclination ensure optimal air distribution in your home.
