### Halogen heater floor unit with 1200 watts

Three power levels - 400, 800 and 1200 watts - can be set on this lightweight and compact halogen heater.

Due to the absence of a fan, almost completely silent operation is possible with the SHX24HS1200. The wide-angle oscillation function nevertheless distributes the promptly available heat optimally in the room.

Equipped with an integrated handle for easy transport, the radiant heater can be taken anywhere.
