Puncture-proof tyres

The solid rubber tyres offer safety. You can ride anywhere without any problems and even have a perfect ride on uneven or bumpy terrain. You won't run out of air even if there is a sharp object in the way.

The ideal board for kids

The cool starter board for kids! Gain your first experience of the great riding experience with the innovative balance board - let off steam while riding the board and enjoy the fun.

The built-in mechanism allows intuitive, almost floating and effortless control of the balance board.

Whether in your free time or on the way to school. The starter allows you to glide along elegantly.

Thanks to the **two 150 watt motors**, a top speed of up to 10 km/h is possible.

The **6.5 inch solid rubber tyres** are maintenance-free and provide the necessary safety, while the metal frame ensures good stability.

Great performance and cool design

The motor power of 300 watts (2 x 150 watts) takes you safely to your destination at a top speed of 12 km/h. The 6.5" solid rubber tyres are maintenance-free and there is no risk of clattering.

To round off the cool design, the tyres are equipped with LED lighting.
