

## Equipment highlights

8.5" solid rubber  
tyres

700 watt  
motor power

Up to 15 km/h\*  
max. Speed

Loadable up to  
100 kg

### The world is open to you

Make every **ride** a **real experience**.

The off-roader in cool design leaves nothing to be desired.

Whether in the big city on asphalt or in the countryside over hill and dale - there are no limits to this balance board.

**Wide off-road tread tyres** and the **rubberised running board** ensure **perfect grip** and **balance** at **high speed**.

### Stable and durable

Due to the **2x 350Watt motors**, slight climbs are no obstacle.

Thanks to the **puncture-proof 8.5 inch solid rubber tyres**, you won't stop at uneven surfaces and wet conditions and enjoy exciting tours of up to 15km!

### Powerful drive

The balance board is equipped with two electric motors that deliver 2 x 350 watts of power. You can reach a top speed of up to 15 km/h. With this board, no climb is too hard.

### Robust tyres

The solid rubber tyres offer safety. You can drive over everything without any problems and without risking a puncture .

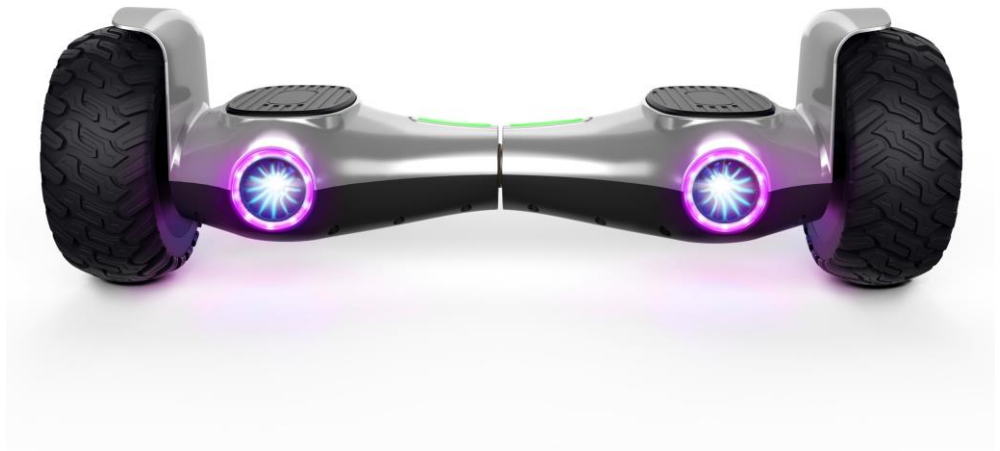

Whether stick or stone - no problem!

### Scope of delivery

- Balance Board
- Operating instructions
- Charger

### Warranty

- 2 years, excluding wear parts
- Battery: 6 months

### Lighting

Thanks to its sophisticated LED design, the off-roader can be driven both by day and by night. This makes it a robust and daily companion in the city and in the countryside.

### Tyres

Can be used in any terrain!  
Thanks to its 8.5" off-road tread tyres, the board can be ridden anywhere - whether on asphalt or forest paths: this balance board can do it all!

### Technical data

- 8.5 inch solid rubber tyres
- Motor: 700 watt (2 x 350W)
- Integrated lithium-ion battery: 4.0Ah / 36V
- Charging time: 4 hours
- Charger: Input AC 100-240V / Output DC 42.0V 1.0A
- Waterproof: IPX4
- Speed: up to max. 15 km/h
- Range: up to 15 km\*
- Maximum slope: 15 degrees
- Robust aluminium frame
- Maximum load: 100 kg
- LED luminaires
- Net weight: 11.5 kg
- Product dimensions: 675 cm x 240 cm x 235 mm
- Art. No.: BCBB8522ORS
- EAN: 9005151001952

\* Actual range depends on various factors such as load, temperature, wind speed, road conditions and driving style.
