

Equipment Highlights

Manual Control Panel

Easy to read without power consumption.

3 Speed Levels

low, medium and high

Timer

2 hours

Wassertank

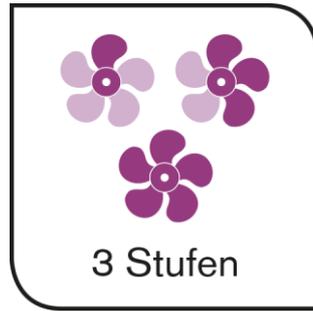

2,5 liters

Oscillation Function

The vibrations help the cold air to reach different areas of the room.

Cooling Effect

Due to the strong performance of the floor fan and the cold spray mist.

The SHE Spray Mist Stand Fan is the perfect combination of cooling and humidifying.

It has an easy to use control panel.

In summer 3 speed levels and the oscillation function guarantee cooling in your home.

The timer function helps you to set the time when the fan should switch off automatically. The timer function allows you to control up to 2 hours of uninterrupted cooling time.

The built-in water tank supplies the fan with cool water and sprays a pleasantly cold spray to give you extra refreshment during the hottest time of the year.

Safe and Easy

The tower fan is easy to operate manually from the top of the control panel. The large 1.4 m long power cable makes it easy to position the fan.
