Scope of delivery

Insect killer
Operating instructions

Warranty period

2 years

1 Watt - 550 Volt - 25 m²

This insect killer is the perfect solution to rid your home of pesky insects. The device is easy to use: just plug it into a socket and you're ready to go. With its four integrated UV-A fluorescent LEDs, it attracts insects and kills them gently.

A special advantage of the insect killer is the practical on/off switch. You do not have to unplug the device to switch it off. It is also quiet and non-toxic, which makes it ideal for use in living spaces.

Say goodbye to annoying insects and enjoy an insect-free home with the BE COOL insect killer. Simple, safe and effective!
