

## Highlights

- Loud 85 dB alarm signal
- Only three seconds reaction time
- Easy assembly

## Scope of delivery

- Water leak sensor
- Block battery (9V)
- Operating instructions

## Warranty period

- 2 years

### Water leak sensor

Early detection of a water leak or water entering from the outside can save a lot of money and effort! That's exactly what the Be Cool water detector does.

The sensor detects water and after only three seconds of reaction time, the device reports with a loud 85 dB alarm signal to prevent worse damage.
