Product video:

Prepare for a Halloween spectacle that will put the fear of God into your guests! Our life-size animated witch will take your Halloween decorations to a whole new level. With an impressive height of 160 cm, this spooky witch is an eye-catcher that will terrify your guests.

This unique decoration figure is not only life-size, but also has terrifying movements and sounds that create an eerie atmosphere. As soon as you insert the batteries, the witch comes to life.

Set it up in your entrance area or party room to give your guests a real fright.

Made of high-quality materials, the animated witch is durable. The easy assembly allows you to set up the witch quickly and easily so you can focus on scaring your guests.

Take your Halloween decorations to a whole new level and impress your guests with this terrifying, life-size animated witch. Create an atmosphere of horror that your guests won't soon forget.
