

Wind machine 45cm

oscillating

SHE45WM2002osz

Highlights

Oscillating

Ensures distribution of the air flow

Three speed levels

low, medium, high

Cooling effect

Due to the strong power of the 120 watt motor, the wind machine generates a high air flow.

Versatile use

Be it in the living room, in the office or in the workshop.

Scope of delivery

- Wind machine
- Operating instructions

Warranty period

- 2 years

Perfect air circulation with the SHE wind machine in any room, whether living room, office or workshop.

The SHE wind machine in timeless design ensures an evenly distributed air flow in the room.

With a high air flow rate and at the same time quiet operating noise, the high-quality processed wind machine achieves a pleasant cooling effect even on the warmest summer days.

Specifications:
