### **SHE table fan - the perfect combination of performance and quality.**

Perfect air circulation with the SHE table fan in any room, whether living room, kitchen or bedroom. The 18 cm wind wheel is ideal for small to medium-sized rooms at home, in the office or in the garage.

### **No matter where, no matter when - the main thing is cool.**

On hot summer days, this fan provides cool air at the workplace or in your own four walls. The special arrangement of the lamellas of the ventilation grille ensures optimal and pleasant air circulation in the room.

### **Practical companion for the summer**

In addition, you can choose between two speed levels to ensure an effective and optimal air flow. Thanks to the integrated carrying handle, you can take the fan anywhere.
