

**Equipment Highlights**

**Italian Design**

Black piano lacquer with golden rotor blades

**3 Speed Levels**

Low, medium and high

**Oscillation Function**

The vibrations help the cold air to reach different areas of the room.

**Tilt Angle**

Up to 10°

**Cooling effect**

Due to the strong performance of the tower fan

 **Designed in Italy**

**The Be Cool table fan is the perfect combination of design, performance and quality.**

The piano lacquer look and the red-gold colored fan blades completely in Italian design is a highlight in every home.

The operating buttons are integrated in gold color in the rod of the fan and merge with the design.

The fan has an extra-flat, round stand foot, which ensures a secure stand at all times. The five red and gold-colored rotor blades ensure a quiet and even airflow.

Furthermore, the design table fan has three speed levels, an oscillation function and an individual tilt angle adjustment for perfect air distribution in the room.

### Safe and Easy

The table ventilator is easy to operate at the spot. The large 1.5 m long power cord makes it easy to position the table fan.

**Golden rotor blades**

**Control buttons**

The rotor blades as well as the oscillation knob are in the color red gold and merge with the design in combination with the black piano lacquer.

### Technical Data

- Field of application: Indoor
- Connection type: Euro plug
- Number of speed levels: 3
- Diameter: Ø 40cm
- Color: black/gold piano lacquer look
- Power: 50 W
- Material: plastic, metal
- 5 rotor blades
- stable, shapely housing with round base
- Angle of inclination: 10°
- Nominal voltage: 220 - 240 V 50Hz
- Italian design
- Oscillating Pivoting range: 70°
- maximum air speed meter/sec: 2,92m/sec.
- dimensions h x w x l: 615 x 440 x 350 mm
- Weight: 3,1 kg
- EAN: 9005665024713

### Scope of Delivery

Table fan  
Instruction manual

### Warranty Period

2 years
