

Highlights

- **3 speed levels**
low, medium, high
- **Oscillation function**
The oscillations help the cold air to reach different areas of the room
- **Italian design**
Black piano lacquer with golden rotor blades
- **Inclination angle**
adjustable up to 10°

Safe and simple

The table fan is easy to operate on the handle. The long 1.5 m power cord makes positioning easy.

Rotor blades

The rotor blades as well as the oscillation knob are in red gold and blend with the design in combination with the black piano lacquer.

The BE COOL table fan is the perfect combination of design, performance and quality.

With its piano lacquer look and the red-gold coloured fan blades in Italian design, it is a highlight in every home.

The control buttons are integrated in the rod of the fan in red-gold colour and merge with the design.

The fan has an extra-flat, round base that ensures a secure stand at all times. The five red gold-coloured rotor blades ensure a quiet and even air flow.

Furthermore, the design table fan has three speed levels, an oscillation function and an individual tilt angle adjustment for perfect air distribution in the room.

Five rotor blades ensure quiet operation

Control buttons in the colour of the rotor blades

Scope of delivery

- Table fan
- Operating instructions

Warranty period

- 2 years

Specifications:

- Application area: Indoor
- Connection type: Euro plug
- Diameter: Ø 40cm
- Number of rotor blades: 5
- Number of speed levels: 3
- Power: 50 W
- Material: plastic, metal
- Tilt angle: 10
- Rated voltage: 220 - 240 V 50Hz
- Oscillating, tilting range: 70 °
- Max. Air speed metre/sec: 2.92m/sec.
- Sturdy, beautifully shaped housing with round stand Foot
- Italian design, piano lacquer look
- Colour: Black/gold

Dimensions:

- Product (W×H×D): 440×615×350 mm
- Packaging (W×H×D): 464×595×125 mm
- Net/gross weight: 3.1 kg / 3.7 kg
