via the touch control panel on the device or via the remote control supplied

Scope of delivery

- Tower fan
- Remote control
- Operating instructions

Warranty period

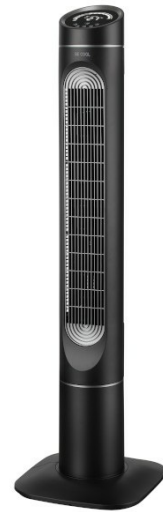

- 2 years

BE COOL tower fan - Stylish design, high performance and premium quality combined.

Our tower fan impresses with a user-friendly control panel with LED display and a practical infrared remote control.

Thanks to three adjustable speed levels - low, medium and high - and an effective oscillation function, it offers refreshing cooling in summer. Choose between Normal, Nature and Sleep modes to always enjoy the optimum room climate. The timer function allows you to set an uninterrupted cooling time of up to 7.5 hours - perfect for your individual needs.

Our tower fan utilises innovative technology with integrated negative ion purification. This continuously recognises the air quality and automatically adjusts the cleaning performance to guarantee you fresh and clean room air at all times.

Specifications:

- Voltage: 220-240V/50HZ
- Power: 85W
- Height: 127cm
- 3 speed settings
- 3 modes (normal, natural wind, sleep)
- 90° swivelling function
- Ioniser
- 7.5 hour timer
- Large LED display with temperature indicator
- Remote control

Dimensions:

- Product (W×H×D): 360×1270×360 mm
- Packaging (W×H×D): 215×1320×215 mm
- Net/gross weight: 6 kg / 6.9 kg
