- **Oscillation function**
The oscillations help the cold air to reach different areas of the room

Scope of delivery

- Tower fan
- Remote control
- Operating instructions

Warranty period

- 2 years

The Be Cool tower fan is the perfect combination of design, performance and quality

It has an easy-to-operate control panel with LED display and infrared remote control.

The 3 speed settings and oscillation function guarantee cooling during the hottest time of the year.

The 3 different wind mode settings allow you to customise the air flow. The timer function helps you if you want the fan to switch off automatically. The timer function enables a switch-off delay of up to 7.5 hours.

All functions can be controlled via the control panel on the device and via remote control to ensure optimum comfort.

Specifications:

- Voltage: 220-240V~ 50/60Hz
- Power consumption: 50W
- Height: 74.5cm
- 3 wind modes (normal, natural, sleep)
- 7.5 hour timer function
- Swivelling function
- LED display
- Storage compartment for remote control
- Sturdy ABS housing
- Remote control
- Colour: Black

Dimension:

- Product (W×H×D): 270×745×270 mm
- Packaging (W×H×D): 168×740×170 mm
- Net/gross weight: 2.40 kg / 3.1 kg
