AROMA

Want a fresh breeze? Very handy?

Ready to hand in your handbag, briefcase or on your desk: The practical hand fan with integrated LED indicator light delivers a refreshing, fragrant breeze at the touch of a button at any time - on vacation or business trip, in the office, at school or at home.

Battery-operated (1200-mAh battery charging time approx. 2 to 3 hours), the handy device provides refreshing air circulation for approx. 1, 2 or 3 hours depending on the speed level. Rechargeable with the supplied USB cable.
Thanks to the supplied stand, which can be easily removed, you can place the fan flexibly on a desk, for example.
Despite its performance, the high-quality rotor blades are particularly quiet.
