Scope of delivery

- Animated chainsaw man

Warranty period

- 2 years

Fright spreads when the animated chainsaw man appears! At a life-size height of 170 cm, this scary fellow is an impressive addition to your Halloween decorations. His trembling movement with the chainsaw gives the impression that he will come to life at any moment and roam through the darkness.

The chainsaw man's red, glowing eyes penetrate the darkness and add to the eerie ambience. His sound effect gives you goosebumps when he announces his presence. A truly terrifying experience for anyone who crosses his path.

For maximum flexibility, the animated chainsaw man is battery-operated (3×AA batteries, not included), so you can easily place him anywhere without having to worry about power sockets. Whether at a Halloween party, at the entrance or in the living room - this spooky contemporary is sure to attract the attention of your guests and give them an unforgettable Halloween night.

Prepare to scare your guests and create an unforgettable Halloween atmosphere - with the animated chainsaw man as the centrepiece of your decorations!
