Get ready to scare your guests and have an unforgettable Halloween night with the animated pumpkin as the centrepiece of your decorations. With a diameter of 27 cm, this spooky pumpkin is an impressive addition to any Halloween party or decoration scene.

The animated pumpkin lights up with a spooky intensity thanks to the red LEDs inside, which create an eerie glow and break through the darkness of the night. This realistic lighting gives your room a gloomy aura and creates a captivating atmosphere.

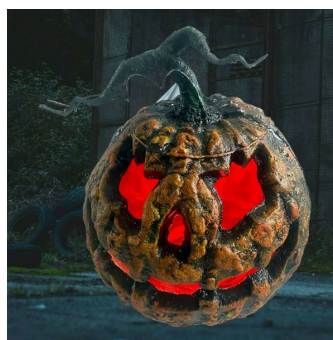

But that's not all - this pumpkin not only surprises with its glow, but also with spooky sounds that seem to come straight from the heart of darkness.

The animated pumpkin is battery-operated and requires 3 AAA batteries (not included), which means you can place it anywhere without having to worry about cables or sockets.

Whether on the table or on the shelf, this pumpkin is sure to turn heads and take your Halloween decorations to the next level
