

Highlights

- **design**
Modern, slim, with ambient lighting
- **Power output**
40W, DC motor
- **Rotorless**
Gentle air circulation without blades
- **12 speed levels**
and 3 wind modes
- **70° swivelling function**
for optimum air distribution
- **Anion function**
Improves the indoor climate

Lieferumfang

- Tower fan
- Operating instructions
- Remote control

Garantiezeit

- 2 years

The rotorless tower fan ensures even air circulation in the room - without any classic rotor blades.

With 12 adjustable speed levels and 3 wind modes (normal, nature, sleep), the air can be individually regulated. The 70° oscillation ensures optimum air distribution throughout the room.

The anion function helps to improve the room climate, while the integrated decorative light function creates a pleasant atmosphere. The fan has a 12-hour timer and can be conveniently controlled using the remote control supplied.

The quiet and energy-efficient DC motor ensures reliable and long-lasting use.

The modern, slimline design enables space-saving installation in living and working areas and combines functionality with appealing aesthetics.

Specifications:

- Power: 40 Watt
- Voltage: 220-240V~ 50Hz
- Height: 102 cm
- 12 speed settings
- 3 wind modes (normal/nature/sleep)
- 12h timer
- 70° swivelling function
- DC motor
- LED display with touch control panel
- Anion function
- with remote control
- Ambient lighting

Dimensions:

- Product (W×H×D): 225×1020×225 mm
- Packaging (W×H×D): 285×1070×280 mm
- Net/gross weight: 3.4 / 5 kg
