- **design**
Robust PP housing

Lieferumfang

- Tower fan
- Operating instructions

Garantiezeit

- 2 years

The BLUEPALM tower fan combines perfect design, outstanding performance and first-class quality in one appliance.

Thanks to its three adjustable speed levels, oscillation function and 2-hour timer function, it provides pleasant cooling even in the hottest months of the year. All functions can be operated effortlessly using the two intuitive rotary knobs located on the top of the appliance.
