

Highlights

- **Large fan head**
with 40 cm diameter
- **Sufficient power**
thanks to 50 watts of power
- **Flexible**
Can be used as a 64 cm table fan or 125 cm pedestal fan
- **Additional standpipe**
Can be used as a table fan with a height of 59 cm
- **3 speed levels**
low, medium, high
- **Swivelling function**
the swivelling function distributes the air optimally to all areas of the room

Lieferumfang

- Pedestal and table fan
- One additional standpipe
- operating instructions

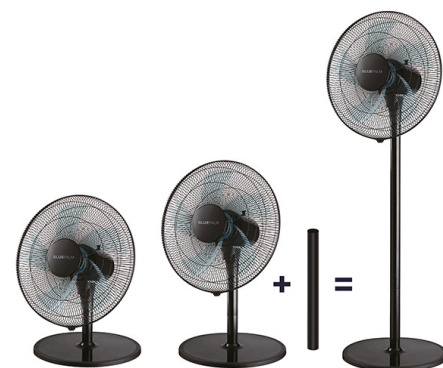

Garantiezeit

- 2 years

The 3-in-1 fan with a diameter of 40 cm offers maximum flexibility - whether on the table, on the floor or as a classic pedestal fan. Thanks to the removable standpipe, the height can be individually adjusted between 64 and 125 cm. With the additional standpipe, a compact height of 59 cm is also possible - ideal for use on a desk or bedside table.

The simple, timeless design blends harmoniously into any environment, while the simple operation ensures maximum convenience.

With five rotor blades and a diameter of 40 cm, the fan ensures powerful, even air circulation. The swivelling function distributes the air optimally in the room, and thanks to the adjustable inclination, the air flow can be directed precisely - for refreshing cooling exactly where you want it.

Specifications:

- Mains voltage: 220-240 V~, 50 Hz
- Maximum power: 50 watts
- Diameter: 40 cm
- Number of rotor blades: 5
- Number of speed levels: 3
- Air circulation: 3,104 m³/h
- Noise level: 64 dB(A)
- Can be used as a table or pedestal fan (64 cm / 125 cm)
- Additional standpipe for use as a table fan (59 cm high)
- Swivelling function
- Adjustable inclination
- With 1.6 m mains cable

Dimensions:

- Product (W×H×D): 390×1250×390 mm
- Packaging (W×H×D): 520×455×150 mm
- Net/gross weight: 5.25 kg / 5.92 kg
