for customised heating control throughout the week.
- **Wall-mounted**  
Space-saving, ideal for living spaces or offices

## Lieferumfang

- Wall-mounted fan heater
- Wall-mounting kit
- Remote control

## Garantiezeit

- 2 years

The PTC wall-mounted fan heater provides fast, reliable and particularly comfortable warmth. With a powerful 2200 watts, it creates cosy temperatures in no time at all, even on cold days. The high-quality PTC ceramic heating element guarantees evenly distributed heat, which comfortably warms the entire room.

The two heat settings and two fan speeds allow for flexible adjustment to suit individual needs – whether you're looking for rapid heating or a constant, comfortable temperature.

The practical timer, with a duration of up to 12 hours, and a weekly timer make it easy to set the heating duration.

The wall-mounted fan heater also impresses in terms of safety and quality: the casing made from non-flammable, heat-resistant ABS plastic and the integrated overheating protection ensure worry-free heating. Wall mounting offers a space-saving solution for living spaces or offices.

The PTC wall-mounted fan heater combines rapid heat, modern technology and a pleasant indoor climate – efficiently, safely and comfortably.

## Specifications:

- Max. power: 2200 W
- Suitable for rooms: 20–30 m<sup>2</sup>
- 2 heat settings
- 2 fan settings
- Adjustable thermostat: 0°C–37°C
- 12-hour timer
- Weekly timer
- Air circulation: 440 m<sup>3</sup>/h
- LED display
- With remote control
- Overheating protection
- Material: non-flammable and heat-resistant ABS plastic
- Mains voltage: 220–240 V, 50 Hz

## Dimensions:

- Product (W×H×D): 750×250×155 mm
- Packaging (W×H×D): 800×330×225 mm
- Net/Gross weight: 2.64 kg / 4.65 kg
