

Equipment highlights

- 8,5" Honeycomb front tire
- 6,5" solid rubber rear tire
- Dual brake system
- 250 Watt engine
- Up to 12 km range
- Up to 25 km/h speed
- High-quality 5,0 Ah battery with 36 Volt
- Max. load 100 kg
- LED-Display

**Lightweight Design**

The BE COOL FALCON offers a powerful motor with a persistent battery. The battery status is also visible at the LED display.

It can be folded and so it is easy to transport and does not need much space when it is parked.

The 8.5" Honeycomb tire increases driving comfort. The smaller-sized rear tire enables a higher torque.

Honeycomb Tire

Honeycomb tires combine the advantages of air and solid rubber tires.

They have good absorption properties such as air-filled tyres.

These tires are maintenance-free and harmless when it comes to damages e.g. nails.

Lightweight Design

Due to the lightweight design, the scooter can be easily transported.

The FALCON is easy to carry and so it is perfect to use in public transport.

Content

- E-Scooter
- Manual
- Charger

Guarantee

- 2 years, except consumables
- Battery: 6 months

**Lightweight and handy**

the FALCON takes you everywhere. If you want to carry it, you can fold him in minimal time. This will make it the ideal companion in cities and in public transport. With its low weight of only 11 kilograms, it is easy to carry.

Dual brake system

the torque of the FALCON's 250 watt engine is ideally in cities. Well-tuned braking system helps you to stop in short distance. The 6.5" solid rubber rear tyres have a mechanical brake and is supported by an electronic motor brake.

Technical data

- Engine: 250 Watt
- Battery: 5,0 Ah, 36 V
- Max. speed: 25 km/h **
- 3 speed levels
- Max. reach: 12 Km
- Max. load: 100 kg
- Mechanical brake rear, electronic motor brake rear
- 8,5" Honeycomb front tire
- 6,5" solid rubber rear tire
- Charging time: 4 hours
- LED-display
- LED light front and rear
- Dimensions – (H x W x T): 1140 x 430 x 970 mm
- Weight: 11,00 kg
- Color: black
- Internal Item No.: BC80ES110002FN
- EAN: 9005665025321

** Test variables for the range: person: 70 kg, dry weather, 25 C° and windstill, continuous speed of 15 km/h, track condition: flat, smooth asphalt

Actual range depends on various factors such as load, temperature, wind speed, road conditions and driving style.
