## Wellness atmosphere at home!

The decorative humidifier and diffuser from BE COOL combines three functions in one device.

- humidification cold air & warm air + air cleaning + aroma diffuser

## Air Humidification

Through its micro-fine spray mist it humidifies the room air and thus ensures a fresh indoor climate.

## Air cleaning

The integrated filters (limescale filter, UV filter, ION filter and HEPA filter) make the BE COOL humidifier particularly allergy friendly. It cleans the room air and water and frees it from bacteria, germs, microorganisms and viruses.

## Aroma Diffuser

The aroma function is easy to activate. Add a few drops of your favorite oil into the aroma compartment and activate the humidifier.

A room scent has an enormous influence on body and mind. It can revitalize the organism, awaken pleasant memories or stimulate creative thinking. In addition, it creates a comfortable living climate in the bathroom, bedroom or living room and invites you to relax.

The compact Be Cool humidifier and diffuser can be used with or without aromatic oil

**The purer the aromatic oil,  
the more effective**

Essential oils are particularly effective and productive. Provided the quality is right. Therefore, the bottle should bear the designation "One hundred percent essential oil".

**AROMAÖLE**  
ESSENTIAL OILS

**Volume**

The modern ultrasonic fogging technology for air humidification is almost noiseless and thus perfectly suited for your bedroom.

**Nebulizer Technology:**

Thanks to effective high-frequency technology, the water is converted into a micro-fine mist and blown into the room air by a fan.

**Scope of Delivery:**

- Instruction manual
- Remote control
- Battery
- Lime filter
- ION Filter
- HEPA Filter

**Warranty Period:**

- 2 years

Marke**

**Design and Night Light**

Elegant colors combining gray and black are highlighted by the LED backlight, which acts like a mood lamp. In night mode, not only the display but also the lamp goes out.

**A Large LED Display**

on the front panel of the unit shows the relative humidity, the current ambient temperature and the time remaining until the humidifier is switched off, as well as all active functions. Beneath the display is an intuitive touch panel for controlling the humidifier, allowing each user to program his or her device easily and intuitively.

**Technical Data**

- Suitable for a room size of 40-50 m<sup>2</sup>
- Max. power consumption: 105 Watt
- Voltage: 220-240 Volt
- Cold air humidifier and warm air humidifier
- Humidification level adjustable: 40-80%
- Recommendation filter change: every 2 months
- tank capacity: 5.0 liters
- noise level: 35dB
- Aroma oil usable
- Humidification level cold air per hour: 300 ml/h
- Humidification level warm air per hour: 400 ml/h
- Night Light
- Timer function: 1-10 hours
- Lime filter
- UV filter
- ION Filter
- HEPA Filter
- Remote control
- color: silver
- Product dimensions (WxHxD): 240x371x170 mm
- Packaging dimensions (WxHxD): 286x410x216 mm
- Weight net / gross: 2,6kg / 3,1kg

- EAN: 9 005665 025802
